

Sinclair Pharma Supplier Code Statement ('Statement')

Sinclair Pharma and its group companies (**'Sinclair Pharma'**) recognises the importance of ensuring that it undertakes successful and innovative research and development in aesthetic dermatology. As a leading specialist in its field, Sinclair Pharma places strong emphasis on high quality manufacturing, distribution and customer support systems, to ensure that healthcare professionals and patients are provided with high quality information and treatment in relation to its products.

Sinclair Pharma encourages these values to be inherent within the systems and services of all parties that it is connected to within its business. This Statement allows Sinclair Pharma's suppliers, partners, customers and employees to be informed of Sinclair Pharma's principles and high ethical standards and how this business conduct should be filtered throughout all commercial and educational relationships.

By following this Statement, Sinclair Pharma is able to make informed decisions about current and prospective suppliers and partners, allowing the monitoring of these same standards within supply chains.

Prospective Suppliers

Prior to entering into agreements with potential suppliers, Sinclair Pharma evaluates the supplier by undertaking risk-based assessments of their regulatory compliance and where necessary audits of supplier facilities. Sinclair Pharma seeks to ensure that all prospective suppliers are in compliance with its own high quality standards.

Performance Reviews

Sinclair Pharma strives for continual improvement and progression in its supply chain and monitors the business performance of partners through periodic evaluation. By providing feedback to suppliers, Sinclair Pharma is able to monitor Supplier performance and improve overall performance standards.

Audits

Sinclair Pharma has compliance procedures and auditing systems in place to confirm supplier compliance with required performance and quality standards.

Anti- Slavery and Human Trafficking

Sinclair Pharma respects and promotes the protection of human rights and requires its suppliers and partners to act in the same manner, to prevent modern slavery and human trafficking in their businesses and supply chains.

Supplier Agreements

Sinclair Pharma has in place respective agreements and/or purchase order terms and conditions with suppliers and partners, which all provide that each party will comply with all applicable laws and regulations in relation to the goods or service being provided.
